SUMMER SESSION FOR INTERNATIONAL STUDENTS 2016

Chungnam National University (CNU)

Chungnam National University is one of ten 'Flagship' Korean National Universities and is recognized as one of the prestigious four national universities in South Korea. It was founded in May 25, 1952, and now consists of 14 colleges, 1 graduate school, 5 professional graduate schools, 8 specialized graduate schools, 43 research institutes, 23 auxiliary organizations, and 1 university hospital. CNU has more than 30,000 students in undergraduate and graduate programs with around 1,500 international students and 1,500 faculty & academic staff. CNU is in partnership with 291 universities from 50 countries.

Summer Session for International Students

The 3rd year of Summer Session for International Students is designed for international students interested in attending academic courses and experiencing Korean culture throughout 6-7 weeks in summer. Students are required to take Korean Language 1 and an English elective course, so that they can transfer academic credits to their home institutions. In addition, they will be provided with various field trips and cultural events in a culturally rich nation.

_ Programs (Deadline for application is March 4, 2016)

Session 1 : June 21 – August 5, 2016 / 6 academic credits

Session 2 : July 25 – August 5, 2016 / 3 academic credits

Session 2 is available only for students from universities where the semester ends after June 21, 2016.

_ Academic Courses

Korean Language 1
(3-credit, Session 1 & 2)

Students will take a placement test on the first day of the class. This class will offer students basic understanding of not only the Korean language, but also focusing on conversational skills and academic writing.

An Elective Course
(3-credit, Session 1 only)

CNU will open one to three English elective courses during the summer session. Each course is equivalent to 3-credit hours, and a list of courses will be announced in April, 2016.

_ Benefits

Full scholarship for application & tuition fees, free on-campus accommodation with meals, full support for field trips & cultural experiences

_ South Korea

South Korea is an East Asia nation on the southern half of the Korean Peninsula. It is known for its green, hilly countryside dotted with cherry trees and centuries-old Buddhist temples, plus its coastal fishing villages, tropical islands and high-tech cities such as Seoul, the capital.

Daejeon is South Korea's fifth largest metropolis with 1.5 million population. Located in the center of South Korea, Daejeon serves as a hub of transportation and is at the crossroads of major transport routes. Daejeon is one of South Korea's administration hubs and is home to 18 universities including Korea Advanced Institute of Science and Technology and Chungnam National University. Daejeon has earned its name as 'Asia's Silicon Valley' and 'High Technology City,' as it has a number of academic research institutes in cooperation with CNU.
