

Water Restoration Notice

DATE	2025/11/08
TIME	8:00 p.m.
PLACE	All campus.
Explanation	The repair of the underground water pump for Water Tower No. 2 has been completed, and the water supply has been restored. Due to the suspension, air may remain in the pipelines. If the water supply does not resume within half a day, please contact the Construction and Maintenance Division, Office of General Affairs. Buildings that switched between tap water and groundwater during the suspension are requested to restore their original settings.
