

Faculty Position in Geomatics at NCHU, Taiwan

The Department of Civil Engineering at National Chung-Hsing University invites applications for a possible tenure-track faculty position in **Geomatics** at the level of assistant professor (or above). The successful candidate is expected to officer undergraduate, graduate and EMI courses, develop strong research programs, supervise graduate students, and be involved in service to the university and the profession.

Application package must be postmarked before Jun. 30, 2023.

Application materials should include

- (1) a detailed curriculum vitae,
- (2) an autobiography with statement of career goal,
- (3) copies of the Bachelor, Master and Ph.D. diploma,
- (4) abstract of Ph.D. dissertation,
- (5) a list of publications (published after 2017/2/1),
- (6) one representative SCI paper (published during 2019/2/1~2023/7/31) and copies of the major publications in the past 7 years (published during 2017/2/1~2023/7/31)
- (7) recommendation letters (at least 2 letters),
- (8) supplemental information (e.g. project, research plan, special honor ...etc.).

※Please refer to our website at www.ce.nchu.edu.tw.

Review of applications will begin immediately.

The application should be mailed to:
