

鍾正明 院士 簡歷

姓名	中文 :鍾正明	英文 :Cheng-Ming Chuong	
當選院士屆數	第 27 屆		
學 歷	M.D., Taiwan University (1978) Ph.D., Rockefeller University (Mentor: GM Edelman) (1983)		
經 歷	Assistant Professor of Developmental and Molecular Biology, Rockefeller Univ. (1983-87) Assistant Professor of Pathology, University of Southern California (1987-91) Associate Professor (1992-98); Professor (1998—); Director, Master program (1996—); Chair, Graduate committee of Pathology (2000—); Course coordinator of "Stem cells and Medicine" (tri-campus: USC, CHLA and Cal Tech) (2007) NIH grant review, ad hoc reviewers for CBY, GMA1, program projects, center grants, fellow grants, etc. (1994—) Member, ACTS study section (2003-07) NSF external reviewers (1986—) International grant reviewer Taiwan NHRI (2001, 2007) and NSC, Taiwan; many invited reviews by England, Ireland, Austria government, etc. Associate Editor, J. Investigative Dermatology (1997—), Zoological Science (2010—) Editorial Board, Developmental Biology (2005—), Exp Dermatology (2009—) Guest editor, J. Expt Zoology (2003); Int. J. Dev. Biol. (2007); PNAS (2007); Plos Genetics (2011) Industry: Scientific Advisory Board, Aderans Research Institute		
專長	幹細胞學、發生學、皮膚生物學		
曾獲得之學術榮譽	Current research award NIH RO1 Development and Regeneration of skin appendages (1995—), NIH RO1 Size regulation of skin appendages (2002—), Tissue engineering of new hairs (2010—) Honors 1988: American Cancer Society Junior Faculty Research Award; 1991: Robert Cleland Teaching Award, University of Southern California; 1992: Zumberg Fellow, USC; 1994: Robert Cleland Teaching Award; 1998: Gorlin Symposium, USA; Podium speaker, British Society for Developmental Biology/Cell Biology, UK; Keynote, Pacific Rim Skin Research Club, Taiwan; 2000: John Ebbling Lecture, European Hair Research Society, UK; Int. Conference of Limb development and regeneration; French Society Developmental Biology, France; International		

	<p>Avian Paleontology and Evolution, China; 2001: Symposium speaker, International Congress of Vertebrate Morphology, Germany; 2002: Don Orwin Lecture, Australia; 2003: Keynote Speech, Holland/Belgium Dermatology Society; 2004: Podium speaker, RIKEN Developmental Biology Symposium, Japan; Podium speaker, SCBA, China; 2006: Symposium speaker, Int Congress Biochem Mol. Biology, Japan; 2007: Associates Award for Creativity in Research, USC; Keynote speaker, Hair Research, USA; Saxén Medal award, Sigrid Juselius International Symposium, Finland; Podium speaker, International Hair Res. Soc. Canada; Podium speaker, Pan Am Develop. Bio. meeting, Mexico;</p> <p>Meeting organizing: 1998: Program committee, Int. Congress of Hair Res Soc. Washington DC; 2000: Science Program co-organizer, North American Taiwanese Medical Association meeting; Co-Organizer, Animal Models as Biomedical Tools, Jackson Lab; 2001: President and meeting organizer, SCBA Southern Co-Organizer, Animal Models as Biomedical Tools, Jackson Lab; 2001: President and meeting organizer, SCBA Southern California Chapter; Symposium co-organizer, International Congress of Vertebrate Morphology, Germany; 2007: Program committee, Gordon Conference on epithelial cells and keratinization; Program committee, Int. Congress of Hair Res Soc., Vancouver</p>
現職	南加州大學病理系教授
聯絡資訊 - 辦公室	
地址	<p>Dept. of Pathology University of Southern California 2011 Zonal Ave. HMR 313B Los Angeles, CA 90033, U.S.A.</p>
電話	(323) 442-1296
傳真	(323) 442-3049
