

Construction Notice

DATE	2026/9/2 (Wed.)~ 2026/9/3 (Thu.)
TIME	9:00 a.m. to 4:00 p.m.
PLACE	Between Forestry Building II and Science & Engineering Building A (see next page)
Explanation	Geotechnical drilling will be conducted for the Forestry Building II Accessibility Improvement Project. Please follow on-site notices, refrain from parking bicycles, motorcycles, or vehicles in the construction area, adjacent parking lots, and sidewalks, and comply with traffic control measures. Construction noise may occur. We apologize for any inconvenience. In the event of typhoons, heavy rain, or other unavoidable circumstances, the construction schedule may be postponed.
