

興大百年校慶-美國德州學者系列講座二

Liping Tang, Ph.D.

Department of
Bioengineering, University
of Texas Arlington, USA

Seminar: Development of cancer trap for
combating metastatic cancer

Dec. 10, 2019 14:00-15:30

Life science building, Room 104

Lecture: A career change from biology to
biomedical engineering

✓ **Dec. 10, 2019 10:00-12:00**

Life science building, Room 117

Development of tissue-engineered lymph
node for studying cancer metastasis

✓ **Dec. 11, 2019 10:00-12:00**

Life science building, Room 117

經費來源：厚實特色學院研究能量計畫

聯絡人：生科系主任 林赫教授
