The list of Grantees will depend on the results of the Erasmus+ selection and will be published officially.	

VIII. SELECTION PROCESS

Selection of candidates will be managed in four stages.

Phase 1: Pre-selection by home and host universities
Each partner university will set up a pre-selection committee in charge of examining and grading all home and host candidates. As a result, a list of pre-selected candidates will be drawn up according to the pre-selection criteria shown in section below of this document.
Phase 2: Final selection
A Selection Committee of Warsaw University of Life Sciences – SGGW will examine and grade the ranking of pre-selected candidates according to the selection criteria shown in section below, in order to draw up the final list of beneficiaries as well as the reserve list.
Phase 3: Notification of selection
All selected candidates will be informed of the award decision and they will have one week to accept or reject the grant. Candidates rejected and those in the reserve list will also be duly informed through an e-mail notification.
Phase 4: Invitation and visa procedures
Beneficiaries will receive an invitation letter from the host institutions in order to start their visa arrangements. It is the responsibility of the selected candidates to provide all necessary documents requested by the Embassies/Consulates of the host universities. Local coordinators from host institutions may provide them with assistance and information about the visa procedure.

A. SELECTION CRITERIA

Submitted applications will be reviewed and graded by the Selection Committee of the Home and Host University. Evaluators will assess applications based on selection criteria which can be awarded according to the following scale:

SCALE	SELECTION CRITERIA
0 = irrelevant to the call	Undergraduate and master students: academic merit, language skills, motivation, academic suitability and relevance of the application

or information missing 1 - 4 = rejected 5 - 6 = fair 7 - 8 = good 9 - 10 = excellent	Doctorate candidates: academic merit and scientific achievements, research proposal, language skills, motivation
	Academic Staff: pedagogical and scientific experience, teaching plan, language skills, motivation, academic suitability and relevance of the application
Evaluators will verify: <ul style="list-style-type: none"> • Academic Quality of the applicant (CV, study progress and results) • Motivation for the scholarship and stay at a Host University • Language proficiency in the language of teaching • Application suitability to the offer at a Host University 	

The Selection Committee will agree the final list of selected candidates on the basis of the ranking of pre-selected candidates. In case of candidates with the same mark additional criteria can be applied.

ADDITIONAL SELECTION CRITERIA
Gender balance
Priority of disadvantaged and vulnerable groups, candidates with disabilities
Language skills
Impact of the project proposal (applicable to Doctorate and Staff)
Priority given to student/ staff who have not previously been on an exchange, who have less global experience in either study or research and teaching.

B. CRITERIA FOR EXCLUSION

Candidates that do not meet the general requirements of the call for applications will be automatically excluded. This applies to candidates not submitting the compulsory documents required for applying to each specific academic level and not complying with the specific type of mobility requirements.

Each host university reserves the right to determine the ineligibility of candidates on the basis of the following reasons:

EXCLUDING CRITERIA
Specific academic program not available
