**Consent for Use of Photo**

The purpose of this form is to seek your consent to have your photograph and/or video images provided, taken and used for the purposes detailed below. Corning Display Technologies Taiwan (hereinafter as Corning Taiwan) is promoting STEM program with collected or taken photographs and/or video from time to time for a wide variety of purposes such as publications, presentations, websites, posters and newsletters. The photographs provided from applicants will be used as awardee announcements in social media, such Corning Taiwan Facebook fan page.

From time to time, at Corning Taiwan’s discretion, selected images may be given to other third-party agencies or stakeholder organizations, including media organizations, for similar usage. Corning Taiwan will hold copyright and other intellectual property rights for all images taken. If a consent form is not signed in respect of every person in the photograph/video, the image will not be used.

You, award applicant, acknowledge that you have read the content and been given a copy of this form; consent to the use of the image(s) described on this form by Corning Taiwan now, and at any time in the future, including after my death, for the purposes outlined below.

**Personal Data Collection Agreement**

According to the Personal Data Protection Act, Corning Display Technologies Taiwan (hereinafter as Corning Taiwan) issues its statement of personal data protection and collection agreement to notify you

of your responsibilities and rights and solicit your consent to the collection, processing and use of your personal data by Corning Taiwan. When you agree to sign this, which means you have read, fully understood and accepted the contents set forth in this agreement. Corning Taiwan collects your personal data to meet the needs of Outstanding Female Researcher Award 2024 sponsored by Corning Taiwan.

Basic Data Collection, Renewal and Management

- (I) Corning Taiwan will collect, process, and use your personal data in accordance with the Personal Data Protection Act and relevant laws and rules enacted in Taiwan.
- (II) Please provide your accurate, latest and complete personal data.
- (III) Your personal data collected by Corning Taiwan to facilitate its administration includes the information in the columns marked as required on the form.
- (IV) Please inform Corning Taiwan of any change to your personal data to maintain the latest information.
- (V) You may lose certain rights or benefits if you provide incorrect, untrue, outdated or incomplete information.
- (VI) According to the Personal Data Protection Act, you are entitled to make the following requests:
  - 1. To check or review the collected data.
  - 2. To receive a photocopy of the collected data.
  - 3. To supplement or revise the collected data.
  - 4. To cease the collection, processing or use of the collected data.
  - 5. To delete the collected data.

However, Corning Taiwan may reject your requests in order to meet the administrative needs. Moreover, should you suffer any losses due to such requests, Corning Taiwan shall not be held responsible for any compensation.

Validity of Agreement

- (I) Your signature on this agreement indicates that you have read, understood and accepted its contents.
- (II) Corning Taiwan is entitled to amend the contents of this agreement, and any amendments will be publicized on the Corning Taiwan website. Should you disagree with any amendments, please exercise your right to request that Corning Taiwan discontinue to collect, process or use your personal data. Otherwise, you are considered to have agreed to the amendment.

Note: The contents of this agreement were translated from the original Chinese version. In the event of any discrepancies between the two versions, the Chinese always takes precedence.
